

Release Form for Pictures/Video at GAUC. After some discussion, it was decided that the most appropriate process was to publish (on a recurring basis) a request for GAUC use of picture/video material, with the explicit option to refuse any such permission.

The following Resolution was **Approved:**

**Resolved** that permission be requested for GAUC use of picture/video material, by publishing twice annually in the GAUC News (September and March), including an explicit option to refuse such permission.
