

Photograph and Video Release

As we celebrate the Church life that we all enjoy, here at Glen Abbey United Church, there may be times that participation in events is either photographed or recorded with audio or video.

We will honour the wishes of those who do NOT wish their likeness to appear. If that is the case, please contact Rev. Ted immediately at revtedvance@glenabbeyunitedchurch.com, specifying which family members this would apply to.

However, by not contacting, you hereby grant permission to the rights of your, and your children's, visual image, likeness and sound of your voices as recorded in any audio, video, still or digital format, without payment or any other consideration.

You understand that your images may be edited, copied, exhibited, published or distributed and waive the right to inspect or approve the finished product in which your likeness appears.

Additionally, you waive any right to royalties or other compensation arising or related to the use of your image or recording. You also understand that this material may be used in diverse settings within an unrestricted geographic area.

Photographic, video or audio recordings or images may be used for the following purposes:

- Presentations in or out of the Church
- Informational presentations
- The Glen Abbey United Church website
