

GAUC Funeral Catering Policy

RSa and TV reported on discussions and resultant recommendations from the Worship Committee related to catering (meals) at GAUC for funerals. The key concern was to ensure a fair and equitable treatment for all, particularly during periods when sufficient GAUC volunteers might not be available. After further discussion and on a **Motion** made by CM and **Seconded** by RSa, the following Resolution was **Approved**:

Resolved that the GAUC funeral catering policy going forward for support be as follows:

- GAUC will provide coffee, tea, water, disposables, set-up, clean-up and greeters for all requests.
- Catering (food) is the responsibility of the family.
- If people are motivated to provide food, it should be done privately and directly.

Adopted by GAUC Board at the February 13, 2019 meeting.
